

Grab: HLD-P2-R

- This grab is designed for handling agricultural crops, especially beets and potatoes
- Special edges minimize damage to handled crops
- Replaceable teeth are made of HARDOX 500
- The grabs are fitted with German-made THUMM rotators

Grab type	Cubature (dm ³)	Proportions A (mm)
HLD-P2-20R	2000	1600
HLD-P2-25R	2500	2000
